I initially like the characters especially the penguins and walrus. I would like to see them in a pool bar environment with Hawaiian shirts, and bikinis on the penguins. Bear bouncers walrus server ie DJ. Sunglasses on them. umbrella drinks, not beers. The colors should follow the polar high roller a little more, maybe the clothing will reflect and bring out more of them.

Here's where we're at with the Arctic Cash game. I think it would be fun to get some more characters in a 'party' scene at the bottom. Maybe dress up the penguins? I look forward to feedback.

Thanks!

Jason,

Please take a look at the glass proof I have attached.

Note the pig on the right will have a different body and bike.

Thank you
